RE: C00017830 Year End Report Amendment

Dear Mr. Gibson,

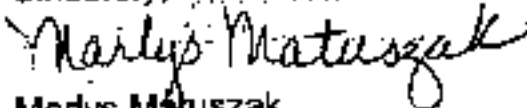

On May 10, 2002 I electronically filed an amendment to our year end report (7/1/01-12/31/01) as required by letter I received from Lauren Budnick, dated April 30, 2002.

Apparently, although my computer reported the upload complete, the amendment was never received at the FEC. I left several messages with Eliza Green, asking if it had been received as I had received no confirmation by either e-mail or fax. Ms. Green left a voice mail message for me stating that everything was ok. I still did not receive confirmation. I left four more voice mail messages for Ms. Green but received no response.

After receiving your letter dated May 23, 2002, I again called Ms. Green. She told me to check the FEC web-site to see if my amendment had been filed. She then checked the site and informed me that the report had never been received.

I have, therefore, today once again electronically filed the amended report and have now received e-mail confirmation that the report was received. It was assigned the filing ID of FEC-37694.

Sincerely,

Mariys Matuszak
